NYC Not Yet Competent

## Absences on Assessment Days

If you miss a class on a day when assessment is being conducted you need to make arrangements with your teacher for you to be assessed at an alternative time.

If you do not achieve the required standard, you will be given the opportunity to be re-assessed

## Assessment Method Descriptors

<b>Assessment method</b>	<b>Description</b>
Questioning oral/written	Assessor will ask a range of questions from the moderated bank of questions that supports the underpinning skills and knowledge required for competency in this unit. Questions may be answered in written or oral form.
Oral presentation (may be supported by technology)	Student will give a presentation against assessment criteria either alone or in a group to a small group or to the whole class
Portfolio	Student will gather and organise appropriate evidence into a portfolio to present to assessor. This will be presented and explained according to assessment criteria

Practical observation	Assessor will observe the student complete practical task/s against the assessment criteria
Demonstration	Assessor will observe the student complete practical task/s against the assessment criteria to the required specification in a simulated work environment.
Ongoing teacher assessment	Assessor will observe student activity throughout course work
Reflective journal	Evidence of personal writing and material related to assessment tasks completed in a personal journal.
Third party report	Reports from other teachers, community members or peers , relating to specific tasks and skills
Simulated role plays	Teacher/ assessor will establish a scenario and may or may not be a participant in this role play. Student will be assessed on oral capabilities whilst being observed.
Group/ pair work	Group or pair may research and/ or present material together
